

Praise the Lord that the eternal, unchangeable God, who made heaven and earth, did not remain aloof from His creation. Rather, in grâce and mercy the second Person of the Godhead was made incarnate, bringing light and life to the world. Give thanks that Jesus of Nazareth, our Lord and Savior, was willing to undergo suffering and violent opposition, so that His people who suffered and endured persecution know that they are following where their Savior has already led. Pray that our Father God, who led the Magi by a star to worship the Incarnate Son of God, will continue to lead His people in worship, guiding and sustaining us until we reach our journey's end in Christ our Lord, in whose Name we pray. *John 1 :4-5,9*
